

Cypress Cove Water Supply Corporation (CCWSC) customers:

**October 1, 2019**

As you know, The CCWSC Board of Directors has been making progress on restoring the financial health of your water provider. In order to continue to meet the ongoing demands of our system, primarily due to the dramatic increased number of recently installed taps, this rate increase will help to cover CCWSC expenses while setting aside money for new equipment and repair of existing equipment.

Therefore, at the September 11<sup>th</sup> board meeting, CCWSC approved a change to the monthly retail water utility service rates in the CCWSC tariff now in effect. **Effective November 1, 2019**, water rates will increase as outlined below. The new rates can be found on CCWSC website at, <https://www.cypresscovewsc.com/rates-and-policies> or contact the CCWSC office at 830-885-2440 if you do not have Internet access.
